

Village Surgeries Equipment Fund (VSEF)

Farndon & Tattenhall, Est.1985

The Village Surgeries Equipment Fund, VSEF Farndon & Tattenhall is a community charity (Est. 1985) organising equipment purchases for the Doctors' surgeries in the two villages. The equipment sourced is over and above the equipment provided by the National Health Service and used for the benefit and comfort of all their patients.

Over £5,000 has been spent on a Hyfreacator, World-Class INR Software, a fridge, a Microlife Watch, a Spirometry Machine, two Oximeters including parts and three ear and eye scopes in recent months. For the near future, we can report that a **Doplar Ultrasound Machine** has been identified as a welcome addition to both surgeries.
